Kentucky High School Athletic Association Regional Registration Now Open for Fishing

REGISTRATION WILL RUN THROUGH APRIL 16

LEXINGTON, KY (March 22, 2018) – Registration for teams participating in the Kentucky High School Athletic Association (KHSAA) bass fishing regionals on April 21 is now open. All registrations will take place at www.highschoolfishing.org.

To enter, teams must be members of an approved high school fishing team at a KHSAA member school. Students wanting to participate at schools that have not yet authorized a bass fishing team should contact their athletic director.

- Region 1 will fish Lake Barkley out of Kuttawa Harbor Marina located at 1709 Lake Barkley Drive in Kuttawa, KY, on Saturday, April 21
- Region 2 will fish Lake Cumberland out of General Burnside Island State Park located at 8801 US 27 in Burnside, KY, on Saturday, April 21
- Region 3 will fish Green River Lake out of Green River Lake State Park located at 179 Park Office Road in Campbellsville, KY, on Saturday, April 21
- Region 4 will fish Cave Run Lake out of Clay Lick Boat Ramp located at 1971 Clay Lick Road in Morehead, KY, on Saturday, April 21

Each school can enter up to and including six boats for regional competition. Each boat must be entered separately and include the names of the two anglers who will start the day fishing out of the boat (each boat is allowed up to four anglers, with only two fishing at any given time). The name of the boat captain who will operate the boat for the students while on the water must also be provided at the time of entry. The names of any substitute anglers or boat captains will be recorded at the registration/rules meeting for each regional.

Boat takeoff position will be determined by random computer draw and will be assigned at the rules meeting for each event.
