It was motioned by Stan Steidel that the student be reinstated after the 3rd football game of this year for a total of a 6 game suspension plus the entire 2010 track season. In such event, Cause shall exist if: (a) Employee shall fail to cure such breach, negligence, misconduct or neglect within fifteen (15) days after written notice; or (b) if such breach, negligence, misconduct or neglect is timely cured, Employee shall repeat such breach, negligence, misconduct or neglect. For the purposes hereof and without limiting the generality of the foregoing,

7.3 *Amendment and Modifications; Waiver.* No modification, alteration, waiver or change in any of the terms of this Agreement shall be valid or binding upon the parties hereto unless made in writing and duly executed by each of the parties hereto. No party shall be deemed to have waived compliance by another party of any provision of this Agreement unless such waiver is contained in a written instrument signed by the waiving party and no waiver that may be given by a party will be applicable except in the specific instance for which it is given. The failure of any party to enforce at any time any of the provisions of this Agreement or to exercise any right or option contained in this Agreement or to require at any time performance of any of the provisions of this Agreement, by any of the other parties shall not be construed to be a waiver of such provisions and shall not affect the validity of this Agreement or any of its provisions or the right of such party thereafter to enforce each provision of this Agreement. No course of dealing shall operate as a waiver or modification of any provision of this Agreement or otherwise prejudice such party's rights, powers and remedies.

7.4 *Notice.* Any notice required or permitted to be given hereunder shall be sufficient if in writing, and if personally delivered or sent by registered mail to the party's last known address.

7.5 *Governing Law.* This Agreement shall be construed in accordance with the laws of the Commonwealth of Kentucky without giving effect to any conflict of law, rule or principle of such state.

7.6 *Severability.* The invalidity or unenforceability of any provision hereof shall not affect the validity or unenforceability of the remainder of this Agreement. If any provision is held invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

7.7 Consent to Jurisdiction. Employee consents and voluntarily submits to personal jurisdiction in the Commonwealth of Kentucky and in the courts in such state located in Fayette County and the United States District Court for the Eastern District of Kentucky in any proceeding subject to judicial process and agrees that all claims in respect thereto may be heard and determined in any such court. Employee further consents and agrees that Employee may be served with process in the same manner as a Notice may be given under Section 7.4. Employee irrevocably and unconditionally waives and agrees not to plead, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue or the convenience of the forum of any action with respect to this Agreement in the United States District Court for the Eastern District of Kentucky and the Courts of the Commonwealth of Kentucky located in Fayette County.

7.8 Headings; Construction. Section headings or captions contained in this Agreement are inserted only as a matter of convenience and reference and in no way define, limit, extend or describe the scope of this Agreement, or the intent of any provision hereof. All references herein to Sections shall refer to Sections of this Agreement unless the context clearly otherwise requires. Unless the context clearly states otherwise, the use of the singular or plural in this Agreement shall include the other and the use of any gender shall include all others. The parties have participated jointly in the negotiation and drafting of this Agreement. If any ambiguity or question of intent or interpretation arises, no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

7.9 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Facsimile or photostatic copies of signatures to this Agreement shall be deemed to be originals and may be relied upon to the same extent as originals.

7.10 Policies, Regulations and Guidelines for Employees. Employer may, from time to time, issue policies, rules, regulations, guidelines, procedures or other informational material, whether in the form of handbooks, manuals, memoranda or otherwise, relating to Employer's employees. To the extent any such material conflicts with the terms of this Agreement, this Agreement shall control.
