President Randolph appointed an ad hoc committee to finalize development of an instrument. Board members will then be able to respond to each of the provided indicators and the final totals would be reviewed with the Commissioner at a separate meeting, likely during the Baseball Finals. It was the objective to develop a standard instrument to utilize each year so that consistent comparisons were able to be made and to allow for the development of commendations and recommendations to guide the Commissioner's yearly planning.

Approval of Draft Budget for 2013-2014
Commissioner Tackett presented the detailed budget review of the 2012-2013 operations, and a draft of the 2013-2014 budget. Approval is necessary for the draft to empower the Association to operate from July 1 until the Board gives final budget approval at its July meeting. The report and discussion included reminders about the policies adopted by the Board related to budget which include:

Existing Board Policy
1. Zero (0) Based Budgeting, that is, by policy, the Association cannot use prior year carry forward as a revenue line.
2. Adopted Board of Control goals (financial) as it relates to the KHSAA long-term debt as adopted in 1994
   a. 33% reserve (1/3 of operating budget non designated) after five years.
   b. 50% reserve (1/2 of operating budget non designated) after ten years.
   c. 100% reserve (1/1 of operating budget non designated) after fifteen years.
3. The Association Staff and Board of Control have created several “Designated Funds” to allow for future expenditures to occur without jeopardizing current operations. In doing this, the Association avoids the “use or lose” mentality exhibited by some businesses due to budgeting cycles.

Stated prior goals of Board as it relates to finances (prior to FY of building debt retirement)
1. Pay off long term debt while building necessary reserves (COMPLETED)
2. Monitor and adjust if necessary, team expense reimbursement.
3. Ensure that state championships are fully funded as quality events for participants.
4. Analyze potential for return of reimbursement in individual sports for schools with competitors.
5. After all are accomplished, Return excess funds to schools as soon as possible using systematic rebate formula while not jeopardizing school dues receipts in the spring/summer for cash flow maintenance.

Budget Assumptions
1. Internal and external corporate sponsor receipts only budgeted per contracts
2. Sports Expenses and Receipts predictable due to advance site selections

For 2013-2014, the following recommendations were made as part of the budget:
1. Approve the transfer of up to $20,000 from the General Fund Carryover to the Title IX reserve for the bulk purchase of "Title IX and Interscholastic Athletics" to be made available for sale to the membership for ½ of purchase price
2. Approve the necessary transfer of funds into and out of the designated accounts for known transactions from the 2011-2012 and 2012-2013 fiscal years to close the fiscal year, including the transfer of funds for designated sick leave and other calculated amounts.
3. Approve the remainder of the Designated Fund Categories and calculations as established in the past audits.
4. Approve the purchase of an additional digital scanner/copier from State Pricing Contract and needed software to add a second machine for the purpose of archiving KHSAA information and necessary software. This machine shall be funded by the Archives Reserve (50%) and the Equipment Reserve (50%).
5. Approve draft budget for 2013-2014 and future years to permit operations through July and final approval.

Approve Draft Alignment of Track Teams for Distribution (Full Board action to be chaired by Individual Sports Chair Stan Steidel)
The proposed alignment places 35% of the schools in Class 1A, 40% in 2A and 25% in 3A. This recognizes that the large schools have an inherent higher probability of having multiple athletes in different events and should compete more among themselves (as in football), but also recognizes that many of the smaller schools do not field a full team and would not necessarily need to have as few schools in Class 1A. It was noted that this might be the first step of a multi step process.

Motion Passed: Approve the draft alignment to be sent to schools for comment with further consideration in July, 2013 passed with a motion by Stan Steidel and a second by Kelley Ransdell.
John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Donna Bumps Yes, Art Davis Absent, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Jerry Keepers Absent, Gene Norris Absent, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Jeff Saylor Yes, Stan Steidel Yes, Henry Webb Absent, David Weedman Yes

Motion Passed: Approve the contracting of the 2014 Hall of Fame banquet for the Lexington Center as presented passed with a motion by Jeff Saylor and a second by Alan Donhoff.
