Call to Order of the Full Board of Control Meeting by President Carrell Boyd

Review Schedule for Day including Annual Meeting and Solicit Necessary Additional Information

Discussion of Long Term Extension, Rupp Arena Hosting

Bill Owen from the Lexington Center was present to discuss the information presented by the Commissioner in January and answer any questions from the Board on possible long term extension for hosting the tournament. Currently, the KHSAA is committed to host the Boys’ State Tournament in Rupp Arena through 2018 provided a contract can be agreed upon by both parties. The Board was appreciative of Mr. Owen’s attendance and encouraged The Commission to bring back a final package.

Presentation on Corporate Fund Raising (iHigh/Brainbox)

Rick Ford and Leah Little of iHigh.inc/Brainbox Marketing made a presentation requesting that a new contract be established for marketing representation of the Association.

The Board then Recessed into Work Session (Chaired by President Elect Jeff Saylor).

During the work session, the Board discussed the various items on the work session agenda. Those being considered with no action were:

- Information on the Track & Field alignment adjustment was presented and will be revisited and considered in May.
- Thus far the only proposal that has been discussed by the membership is a concern from football coaches about scheduling in 2017 and beyond; and a potential Bylaw 24 proposal.
  - Other possible staff items to be reviewed in May include: remove or revise Section 3 of Bylaw 6; technical linkage between 2 and 3 should be cleaned up (6)
- Staff reviewed information on the 2014-2015 current budget status and requested questions or clarifications needed from the Board of Control along with a review of any action to be taken.

Work Session Report and Any Resultant Action

Potential Football Revisions, Competition and Practice Limits
Commissioner Tackett discussed the background and implications of the policy recommendations from the NFHS Task Force on Concussions in Football. Feedback has been minimal since distribution, with most seeking clarification regarding June allowances.

A point of discussion was the camp allowance to loan a student-athlete equipment. While not advisable from a risk management standpoint, failing to do this could result in students not being able to attend certain functions. Several coaches asked that consideration be made to change to seniors only in the postseason, but keep the allowances for summer camps with the listed restrictions.

Motion Passed: Approve the revised contact restrictions in response to the NFHS Task Force recommendations with the provision that schools, with local school and school system approval, may utilize helmets from June 1 through June 24, provided all activity is on campus, does not involve other schools, and does not involve contact per the new definitions passed with a motion by Steve Riley and a second by Mike Deaton. John Barnes Absent, Bill Beasley Yes, Carrell Boyd Yes, Donna Bumps Yes, Ron Dawn Yes, Mike Deaton Yes, Mark Evans Yes, Pete Galloway Yes, Gwen Gibbs Yes, Dana Guyer Absent, Scott Hawkins Yes, Marlon Miller Absent, Kim Parker-Brown Absent, Steve Riley Yes, Jeff Saylor Yes, Stan Steidel Yes, Henry Webb Absent, Jerry Wyman Yes.

Discussion of Long Term Football Finals Order of Games, 2015-2018
Per the Competition Rules, the Board sets the date and time for championship events, following evaluation and recommendations from the Commissioner. The KHSAA has previously agreed to
play the football finals through 2018 at Western Kentucky University. The Commissioner recommends the following schedule for the order of games:

- **2015** - 1A, 2A, 6A, 3A, 4A, 5A
- **2016** - 1A, 3A, 5A, 2A, 4A, 6A
- **2017** - 1A, 2A, 4A, 3A, 5A, 6A
- **2018** - 3A, 2A, 5A, 1A, 6A, 4A

**Motion Passed:** That the order of games for playoff years 2015 through 2018 be approved as presented: 2015 - 1A, 2A, 6A, 3A, 4A, 5A; 2016 - 1A, 3A, 5A, 2A, 4A, 6A; 2017 - 1A, 2A, 4A, 3A, 5A, 6A; 2018 - 3A, 2A, 5A, 1A, 6A, 4A; with the final time schedule to be set in the fall of each year passed with a motion by Scott Hawkins and a second by Jeff Saylor. **Status Report on Swimming Realignment Project**

Staff requested final action on the revised swimming alignment. There were several school requests:

1. Assumption - Request consideration of a move from 5 to 4 due to travel and practice logistics (sharing pool time with St. X)
2. North Bullitt - Open to consideration of move from 4 to 5. Recommend no change to leave all schools in Bullitt County in same region
3. Rockcastle County - Request to move from 8 to 9 in draft due to geography.
4. South Laurel - Recommends movement of Boyd County, Ashland Blazer, Rowan, Fleming to other regions due to travel to Knox County, then consider other moves of schools in Region 9.

Discussion to recommend staff review with the facility at Knox County the option of having both Regions 8 and 9 at the Knox pool while UK remains offline as a host, which would address some of the host concerns about Region 9 and smaller meets. The facility at Knox County is a great facility with a great deal of capacity and this may be the opportunity to have separate smaller regions on multiple days, with benefits to both groups.

**Motion Passed:** That the draft alignment be approved for the 2015-16 school year through the 2018-19 school year as presented, with the exception of the movement of Rockcastle County to Region 9 as requested; and the proviso that staff discuss with the Knox County facility, the option of hosting multiple regions passed with a motion by Donna Bumps and a second by Stan Steidel.
