GENERAL WINTER INSTRUCTIONS FOR ALL SPORT AND SPORT ACTIVITIES

SUPERSEDURE NOTE

The information in these instructions supersedes any information previously distributed, including the Competition Rules.

In many cases, these rules have been revised over the last couple of years through the pandemic to the point where time has not permitted complete overhaul and revision of the competition rules

All involved should review items such as tiebreakers and procedures for competition and consider this document authoritative.

Contact the primary event contact with any additional questions.

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 5 - Partnering for Progress, Guidance for Continued Practice and Competition during the Pandemic" document can be found at the following link: [COVID GUIDANCE](#).

In addition to specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Some differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific mask-requiring ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

WATER - COVID-19 GUIDANCE

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

PUBLIC HEALTH PROTOCOLS

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

The host is responsible for adherence to COVID-19 guidelines in accordance with normal home site procedures.

VENUE LOGISTICS

VENUE SAFETY

Persons who attend KHSAA events may be injured as a result of the risks inherent in being a spectator at such events.

Please advise KHSAA or venue personnel of any situation you encounter which you or a team member feels should be addressed to minimize risk to all involved.

Any crowd control problems or acts of violence should be brought to the attention of the event staff, which will contact the appropriate authorities.

Attendance at events is a vital family and community based activity which is encouraged.

SIGNAGE, BALLOONS AND NOISEMAKERS

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

2023 State Championship presented by UK HealthCare Instructions

Signs/banners must be handheld or attached in a manner not to damage the existing structure.

Signs/banners shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate game management cues are not permitted inside the facility. These items include, but are not limited to: air horns, electronic amplifiers, portable sound systems, instruments that require additional electricity, game clock horns and whistles.

Artificial noisemakers of any kind are not permitted inside the facility per NFHS rules.

Balloons, which can block the view of other patrons, are not permitted at the event.

Only venue provided amplified music is permissible, but only during pre-competition or natural and planned breaks.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective.

We remind you that officials expect good behavior and will quickly penalize misconduct.

We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

HEALTH INFORMATION

ATHLETIC TRAINERS

The Association will use the services of UK HealthCare to provide trainers for the KHSAA State Bowling Championships presented by UK HealthCare.

Athletic Training Staff will be available beginning one (1) hour prior to the event and remain available throughout the day.

If an athlete or fan is in need of emergency medical attention, contact the nearest KHSAA staff member, official, UK HealthCare trainer or venue staff so emergency medical services can be reached.

An AED will be located at the team check-in area.

Roster revisions had to be made before the first date of the postseason when online rosters were closed and considered final.

Only players appearing on the school's BW110 or BW127 forms are eligible to participate in any round.

This roster information is used for advance preparations for state qualifying teams.

The State Championship field is set by the regional tournament results and there are no additional steps for entering your student-athletes in the state competition if they qualify from the regional.

SUBSTITUTIONS/LIMITATIONS

A substitution would only be permitted if the original entry is prevented from participating due to circumstances arising from a documented injury/illness, which must be approved by the office of the Commissioner.

No advantage may be gained by a substitution, if so, it will not be permitted.

Substitutions during Baker games are allowed and can occur between or during frames.

Once a bowler has been substituted for, they may not re-enter during that Baker game.

Additional bowlers shall not be allowed to participate in warm-up exercises or be in the pit at any time during the tournament.

BRACKETS/PAIRINGS

In the team tournament, teams will bowl one (1) game with two (2) teams of four (4) bowlers, dropping the low score on each lane:

- The six (6) bowler total will be used to seed the team into a bracket.
- The team will then bowl a seeded match against another school.
- A match will consist of Baker games, played best 3-out-of-5.
- The winner advances to the next round.
- Rounds will continue until a champion, runner-up and semifinalists are established.

In the singles tournament, four (4) individuals will advance from each region tournament:

- Bowlers shall bowl three (3) games and the top eight (8) will advance to the semifinals where they will bowl two additional games.

- This will also establish the fifth (5th) through eighth (8th) place finishers.
- From that point on, the top four (4) bowlers will bowl a stepladder tournament until a champion is determined, along with the second (2nd) through fourth (4th) place finishers.
