2021-2022 State Competitive Cheer Championships Instructions

BRIEF WELCOME

Congratulations on behalf of the Kentucky High School Athletic Association Board of Control and staff for advancing to the 2021-2022 KHSAA State Competitive Cheer Championships.

Refer to this manual and the important website links included at the end of the document to guide you through preparation for your participation.

KHSAA CONTACTS

The primary contact for competitive cheer is Assistant Commissioner Sarah Bridenbaugh (sbridenbaugh@khsaa.org).

If Mrs. Bridenbaugh is for some reason not available, Associate Commissioner Butch Cope (bcope@khsaa.org) is the backup contact.

Media inquiries should be directed to Assistant Commissioner Joe Angolia (jangolia@khsaa.org)

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff should be able to refer you to the correct party.

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 4 - Perseverance, Guidance for Continued Practice and Competition During the Pandemic: Interscholastic Fall Sports" document can be found at the following link: <https://bit.ly/3jvElu7>

In addition to cross country specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending the state championships.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home. Guidance is broken into three areas: REMINDER - Any individual with symptoms of COVID-19 shall not be admitted.

Guidance is categorized into three areas:

- **REQUIRED**- These standards are required at all sanctioned contests.
- **RECOMMENDED**- These standards are best practices during all contests during the pandemic and are therefore recommended for all contests. In a few cases, these will be **STRONGLY RECOMMENDED**.
- **CONSIDER**- While these items are also best practices during this time, local site discretion should be exercised to determine if these items are practical and feasible for use at the contest.

All items in the document should be interpreted as "CONSIDER" for local consideration unless otherwise noted.

These differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

Masks/Face covering information and portions of the competitive cheer specific section of the document are included below.

MASKS, FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific masking ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

NON-COMPETITORS

Non-Competitors, in compliance with current KDPH and CDC guidelines are recommended to wear masks in all indoor settings unless otherwise exempted (e.g., cannot wear a mask due to disability), regardless of COVID-19 vaccination status.

2021-2022 State Competitive Cheer Championships Instructions

In compliance with current KDPH K-12 education guidance, "In general, people do not need to wear masks when outdoors, though mask use may be considered in outdoor settings that involve sustained close contact with other people who are not fully vaccinated."

PUBLIC HEALTH PROTOCOLS

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

The press box should be limited to essential personnel only, with all individuals respecting social distancing (consider additional accommodations outside if necessary).

Incorporate easily identifiable credentials to ensure only authorized personnel are in restricted areas.

If radio space is limited to the home team, try to facilitate a shared feed of the home team's broadcast if possible.

Interviews should only be conducted if social distancing protocols can be followed.
