STATE FAST PITCH SOFTBALL DATE CHANGE

The event date is listed as June 10-11 on KHSAA Calendars and was changed after recent additional consultation with the host site.

OPEN MEETINGS REMINDER

This reminder to all district and regional tournament managers and others conducting KHSAA-related meetings. The Kentucky Attorney General has ruled that any and all meetings conducted by the KHSAA fall under the "Open Meetings" act. District, regional and state tournament draws should be conducted with an "open meeting" format. Also, always inform your local media with meeting information and send a copy of your bracket and if applicable, seeding information to the KHSAA.

LOSS OF SCHOOL TIME FOR CONTESTS

A reminder of Bylaw 25, Limitation of Seasons - Sec. 1. Loss of School Time. No school time may be lost for travel to or from, or participation in, any regular season interscholastic athletic contest.

Q/A - What is the Associations' enforcement position on missed school time? At the request of the Kentucky Board of Education, the KHSAA annually solicits certification from school administrators that these provisions have not been violated.

TITLE IX SEMINARS

The KHSAA, in conjunction with the Kentucky School Board Association and the Kentucky Department of Education, recently conducted workshops in Bowling Green and Lexington regarding Title IX compliance guidelines for interscholastic athletics.

State regulations now mandate that KHSAA member schools be in compliance with Title IX as a condition of membership. Copies of Title IX guidelines and other resource materials will be available to member schools later this month.

DISQUALIFICATION REMINDER

Schools are reminded that contained in this year's form packet mailed in May was a new KHSAA Form GE9 to request the reinstatement of a disqualified player. It is no longer necessary to call the office to request the reinstatement if this form is properly completed unless it is a repeat or multiple game offender, or the official indicates additional investigation is necessary. Complete instructions are contained on the form.

SPRING SPORTS POSTSEASON

Several calls have been made to the office regarding Spring Sports Championships, most notably the Baseball/Fast Pitch Softball district tournaments.

As is listed on the 1998-99 KHSAA school calendars and in the new Handbooks, district baseball and fast pitch softball tournaments are scheduled to begin May 24. This is a week later than in the past. The change was made in March due to the Memorial Day holiday and facility availability at state venues.

The State Slow Pitch Softball Tournament will be May 14 and/or 15. The State Tennis Championships will be held June 3-5 and the State Track & Field Meet will be June 4-5. The State Fast Pitch Softball Tournament will be June 11-12 and the State Baseball Finals will be June 17-18.

Any school or group of schools that desire(s) to hold a postseason tournament earlier than the dates printed should direct a request to the Commissioner's office.

TRANSPORTING TEAMS CLARIFICATION

Legislation passed during the 1998 session has now taken effect which has an impact on coaches in Kentucky. Please note the following changes in interpretations to KHSAA rules which will be published this year.

Q/A -1 Is the restriction on transportation of a student by the principal, coach or faculty a KHSAA regulation or state law? This bylaw is patterned and adopted after KRS 161.185 which states "Boards of education shall require a principal, coach, member of the faculty or a member of the administrative staff to accompany students on all school-sponsored or school-endorsed trips." Effective July 15, 1998, the legislature changed the provisions to give those individuals employed as Level II or III coaches the same authority as their faculty counterparts if approved by the local Board of Education.

Q/A 2 - Can a nonteaching paraprofessional accompany a team and/or drive the bus or van? Yes, that person can serve as the person to accompany the team in accordance with KRS 161.185 as amended by the Legislature effective July 15, 1998. It should be noted that this in no way removed or revised the requirements for the driver of the bus / van as that individual must continue to meet other state requirements.
