BASKETBALL CORRESPONDING DATES

There have been several calls to the KHSAA regarding basketball scheduling for future years. Repeated below is the interpretation table which should be used for scheduling games for the next few years when comparing to 1998-99 playing dates. This has been published prior in the Commissioner's Notes and is repeated as a Q&A under Bylaw 25 in the 1998-99 Handbook. The week labeled "BK*" is the "extra" week, and all other prior dates move forward when comparing to 1998-99.

Q/A - What are the corresponding dates for basketball for the next several seasons? School representatives scheduling basketball contests over the next several seasons can use the following comparative corresponding date chart to determine the applicable playing week of the season.

The event date is listed as June 10-11 on KHSAA Calendars and was changed after the printing of the calendars and recent additional consultation with the host site.

DEAD PERIOD

This reminder that the Dead Period for this school year is June 20-July 3, as printed in the KHSAA Memorandum Calendar. During this time, students may not receive coaching or training from school personnel (either salaried or non salaried) and school facilities, uniforms, nicknames, transportation or equipment shall not be used in any KHSAA sanctioned sport during the period beginning with the first day of National Federation Corresponding Week 51 (June 20), and going through the last day of National Federation Corresponding Week 52 (July 3). School funds may not be expended in support of interscholastic athletics in any KHSAA sanctioned sport during this period.

3-PERSON OFFICIATING TO BE USED IN 2000 POSTSEASON

The KHSAA Board of Control has approved and supports 3 person officiating for next year's (2000) boys' and girls' basketball postseason. The Board and staff feel this will improve the level of officiating necessary to remain consistent with the caliber of play. Three-person officiating has been experimented with across the state during this past regular season. Currently, more than 30 states in the nation use three-person officiating in post season play.

ASSAILANT RECEIVES SENTENCE

Recently an individual came out of the stands to attack a KHSAA basketball official. Recent legislation has made such an act a Felony. The individual received a \$200 fine, \$76.50 in court costs, 30 day jail time suspended and probated for two years, must perform community service and write a letter of apology to the referee and the principal of the school involved.

1999 STATE GOLF SITES ANNOUNCED

Also at the March Board of Control meeting, the Board approved and announced the dates and sites for the 1999 Girls' & Boys' State Golf Tournaments. The Girls' State Golf Tournament will be played Oct. 4-6 (Oct. 4 is practice day) at Arlington Country Club in Richmond. The Boys' State Golf Tournament will be played Oct. 6-8 (Oct. 6 is practice day) at Gibson Bay Golf Course in Richmond.

TITLE IX SEMINARS

The KHSAA, in conjunction with the Kentucky School Board Association and the Kentucky Department of Education, conducted workshops in Bowling Green and Lexington regarding Title IX compliance guidelines for interscholastic athletics.

State regulations now mandate that KHSAA member schools be in compliance with Title IX as a condition of membership. Copies of Title IX guidelines and other resource materials have been mailed to member schools.

DISQUALIFICATION REMINDER

Schools are reminded that contained in this year's form packet mailed in May was a new KHSAA Form GE9 to request the reinstatement of a disqualified player. It is no longer necessary to call the office to request the reinstatement if this form is properly completed unless it is a repeat or multiple game offender, or the official indicates additional investigation is necessary. Complete instructions are contained on the form.

SLOW PITCH SOFTBALL

The 1999 KHSAA Slow Pitch Softball State Tournament will be held May 14-15 at the Rivershore Sports Complex in Hebron. The following schools have responded to the KHSAA survey that they will be fielding a slow pitch softball team this season.

SPRING SPORTS POSTSEASON

As is listed on the 1998-99 KHSAA school calendars and in the Handbook, district baseball and fast pitch softball tournaments are scheduled to begin May 24. This is a week later than in the past. The change was made in March due to the Memorial Day holiday and facility availability at state venues.

The State Slow Pitch Softball Tournament will be May 14-15. The State Tennis Championships will be held June 3-5 and the State Track & Field Meet will be June 4-5. The State Fast Pitch Softball Tournament will be June 11-12 and the State Baseball Finals will be June 17-18.

Any school or group of schools that desire(s) to hold a postseason tournament earlier than the dates printed should direct a request to the Commissioner's office.
