OCTOBER 16, 1998

PLEASE COPY AND DISTRIBUTE TO YOUR ATHLETIC COACHES AND STAFF

NEXT BOARD OF CONTROL MEETING

The next regularly scheduled meeting of the KHSAA Board of Control will be Nov. 18-19, at the KHSAA office in Lexington. Committee meetings will be held Wed., Nov. 18, with the full Board scheduled to meet on Thurs., Nov. 19. Contact the KHSAA office for a meeting agenda.

A special-called Board meeting will be held Mon., Oct. 19, at the Holiday Inn South in Lexington. The purpose of this meeting is to begin strategic planning for the Association for the next several years.

TITLE IX SEMINARS

The KHSAA, in conjunction with the Kentucky School Board Association and the Kentucky Department of Education, recently conducted workshops in Bowling Green and Lexington regarding Title IX compliance guidelines for interscholastic athletics.

State regulations now mandate that KHSAA member schools be in compliance with Title IX as a condition of membership. Copies of Title IX guidelines and other resource materials will be available to member schools following review by the Board of Control at its November meeting.

MOLTEN OFFICIAL SOCCER/BASKETBALL

This reminder that MOLTEN is the official soccer ball and basketball of the Kentucky High School Athletic Association. Official Association balls are to be used during all postseason contests (District, Regional, Sectional, Sub-Sectional, State).

LOSS OF SCHOOL TIME FOR CONTESTS

A reminder of Bylaw 25, Limitation of Seasons - Sec. 1. Loss of School Time. No school time may be lost for travel to or from, or participation in, any regular season interscholastic athletic contest.

Q/A - What is the Associations' enforcement position on missed school time? At the request of the Kentucky Board of Education, the KHSAA annually solicits certification from school administrators that these provisions have not been violated.

ASSOCIATION AUDIT AVAILABLE

The 1997-98 audit of the Association has been compiled by Miller, Mayer, Sullivan and Stevens of Lexington and approved by the Board of Control. A copy of the audit is on file at the Association office for your review.

OPEN MEETINGS REMINDER

This reminder to all district and regional tournament managers and others conducting KHSAA-related meetings. The Kentucky Attorney General recently ruled that any and all meetings conducted by the KHSAA fall under the "Open Meetings" act. District, regional and state tournament draws should be

conducted with an "open meeting" format. Also, always inform your local media with meeting information and send a copy of your bracket and if applicable, seeding information to the KHSAA.

SCHOOL MEDIA CREDENTIALS FOR STATE TOURNAMENTS

This reminder that schools advancing to state tournament play are asked to request credentials PRIOR to the event. A letter from the school principal (on school letterhead) is required including the name(s) of the individual(s). Each school is limited to three (3) credentials. This includes yearbook, newspaper, journalism class personnel or video yearbook personnel. Students or other representatives showing up at the gate will not be issued media credentials.

BASKETBALL TICKET ORDER FORMS

Ticket order forms for the 1999 KHSAA Girls' and Boys' Sweet 16® State Basketball Tournaments have been mailed to member school principals and superintendents. If you have not received your form, or need to request another, please contact our office immediately. The superintendent's signature is not necessary on the school order form.

BYLAW 3 - AGE RULE NOW STATE LAW

A student who becomes nineteen (19) years old before August 1 shall be ineligible for interscholastic athletic competition. A student who becomes nineteen (19) on or after August 1 shall remain eligible for the entire school year. The Board of Control and the Commissioner may not adopt administrative procedures which allow for waiver of this rule under any condition.

Q/A - May rulings related to Bylaw 3 be appealed? No. Bylaw 3 as approved by the Kentucky Board of Education expressly prohibits appeals concerning this bylaw. *In addition, with the adoption of HB215 from the 1998 Legislative Session, the Kentucky General Assembly has placed this provision in KRS 156.070 in the form of state law.*

LEXINGTON AWARDED STATE BASEBALL TOURNAMENT

At its September meeting, the Board of Control awarded the 1999 and 2000 State Baseball Finals to Lexington, to be played at the University of Kentucky's Cliff Hagan Stadium. The awarding of the 2000 Finals is contingent on a favorable review by the Board following the 1999 event.

With the support of the Lexington Area Sports Authority and the Lexington Convention and Visitors Bureau, the State Baseball Finals returns to Lexington and the UK Campus. The last time the State Baseball Finals were held in Lexington was in 1990, when Paintsville defeated Tates Creek, 10-4.

SWIMMING & DIVING POSTSEASON REMINDER

Due to the fact that the University of Kentucky will serve host to the 1999 SEC Swimming & Diving Championships, the dates for the 1999 KHSAA postseason swim meets are as follows:

Regional Swim Meets - Feb. 12-13, 1999

State Swim Meet - Feb. 26-27, 1999

STATE FAST PITCH SOFTBALL DATE CHANGE

Please note that the date for the 1999 KHSAA State Fast Pitch Softball Tournament at Panther Creek in Owensboro has changed. The 1999 event will now be played June 11-12. The event date is listed as June 10-11 on KHSAA Calendars and was changed after recent additional consultation with the host site.

DISQUALIFICATION REMINDER

Schools are reminded that contained in this year's form packet mailed in May was a new KHSAA Form GE9 to request the reinstatement of a disqualified player. It is no longer necessary to call the office to request the reinstatement if this form is properly completed unless it is a repeat or multiple game offender, or the official indicates additional investigation is necessary. Complete instructions are contained on the form.

SPRING SPORTS POSTSEASON

Several calls have been made to the office regarding Spring Sports Championships, most notably the Baseball/Fast Pitch Softball district tournaments.

As is listed on the 1998-99 KHSAA school calendars and in the new Handbooks, district baseball and fast pitch softball tournaments are scheduled to begin May 24. This is a week later than in the past. The change was made in March due to the Memorial Day holiday and facility availability at state venues.

The State Tennis Championships will be held June 3-5 and the State Track & Field Meet will be June 4-5. The State Fast Pitch Softball Tournament will be June 11-12 and the State Baseball Finals will be June 17-18.

SPECIAL NOTE TO MEMBER SCHOOLS CONCERNING WORKING CLASSIFICATION OF REGISTERED OFFICIALS

Officials registered with the KHSAA are not employees of the KHSAA or member school when serving as an official and have no insurance or other benefits consistent with employment. Each official by registering requests the KHSAA to submit the proper membership fee to the National Federation Interscholastic Officials Association (NFIOA) for membership. Schools should treat these individuals as they do all sub contracted work with other independent contractors, and should not treat them as employees for the purpose of social security

and other taxes, and should carefully track to make certain proper forms are issued when a 1099 is due to a particular official. It is solely the official's responsibility to report the income earned from officiating and ensure that proper tax liabilities are paid, not the member school or school system.

COACHING EDUCATION CLASS

Ken Trivette will conduct a Coaches Education Program class Oct. 23, at 4 p.m., at Pikeville High School. To enroll, contact Mr. Trivette at (606)432-0185.

Bruce Lynch will conduct a Coaches Education Program class Nov. 7, at 8 a.m., at Trinity High School in Louisville. To enroll, please contact Mr. Lynch at (502)895-9427, ext. 531.

TRANSPORTING TEAMS CLARIFICATION

Legislation passed during the 1998 session has now taken effect which has an impact on coaches in Kentucky. Please note the following changes in interpretations to KHSAA rules which will be published this year.

Q/A -1 Is the restriction on transportation of a student by the principal, coach or faculty a KHSAA regulation or state law? This bylaw is patterned and adopted after KRS 161.185 which states "Boards of education shall require a principal, coach, member of the faculty or a member of the administrative staff to accompany students on all school-sponsored or school-endorsed trips." Effective July 15, 1998, the legislature changed the provisions to give those individuals employed as Level II or III coaches the same authority as their faculty counterparts if approved by the local Board of Education.

Q/A 2 - Can a nonteaching paraprofessional accompany a team and/or drive the bus or van? Yes, that person can serve as the person to accompany the team in accordance with KRS 161.185 as amended by the Legislature effective July 15, 1998. It should be noted that this in no way removed or revised the requirements for the driver of the bus / van as that individual must continue to meet other state requirements.

COACHING QUALIFICATIONS CLARIFICATION

Another important change has occurred as it relates to coaching. The same bill (HB215) that passed concerning paraprofessional transportation also impacts coaching qualifications. In addition to the present KHSAA requirements, it is also necessary that a coach (head or assistant), at any level (grades 9-12) meet the following -

(1) Shall be 21 years of age, shall not be a violent offender or convicted of a sex crime as defined by KRS 17.165 which is classified as a felony, and shall submit to a criminal record check under KRS 160.380.

(2) A person holding a provisional or standard teaching certificate or having completed sixty-four semester hours of college credit from an accredited college or university as documented by an official transcript.

(3) Level 2 and 3 coaches shall have completed all requirements for the Kentucky Coaches Education Program as detailed in Section 1(d) of this bylaw prior to being hired and prior to beginning coaching duties.

(4) Prior to assuming duties, Level 2 and 3 coaches shall successfully complete training provided by the local school district. The training shall include, but not be limited to, information on the physical and emotional development of

students of the age with whom the Level II and/or III coach will be working, the district's and school's discipline policies, procedures for dealing with discipline problems, and safety and first aid training. Follow up training shall be provided annually.

USE OF KHSAA REGISTERED OFFICIALS

The use of KHSAA registered officials is required for all freshman, JV and varsity contests. Assigning Secretaries, when making assignments are required to assign registered officials. However, should you employ your own officials for freshman or JV (Varsity are required to be assigned by Assigning Secretaries) games, you must insure that these officials are registered. Do not depend on the uniform patch to assume officials are KHSAA registered as the officials are no longer required to wear a patch. Each registered official has a registration card that identifies whether or not they are properly registered. This is the verification you should rely on and not the uniform patch.

A telephone call to Molten has reassured us that the leather ball is still available. The leather ball is the one that will be used in KHSAA postseason play.
