FROM THE COMMISSIONER'S DESK

Happy New Year everyone! I would like to start the New Year off by updating you on a very important meeting that has been scheduled. The Kentucky Board of Education has directed the KHSAA to continue dialogue regarding proposed changes to the KHSAA Constitution and Bylaws. In response, I have formed a Public/Non-Public School Task Force. Representatives from the public and non-public school sector and others have been invited to participate on this important committee. The first meeting is scheduled for January 9-10, 2006, at the Crowne Plaza (Campbell House) in Lexington. January 17th is a tentative date for the next meeting if necessary. The meeting will begin at 3:00 p.m. Monday, January 9, and resume on Tuesday, January 10, at 9:00 a.m. I, along with KHSAA Staff, will be coordinating the meeting. In addition, I have secured the services of Justice James E. Keller to facilitate the meeting.

Thanks to everyone who has responded to date with suggestions and proposed changes to KHSAA regulations following the e-mail that was sent to you December 23rd. Your suggestions will be copied for the Task Force for their review on January 9th. The e-mail sent to each Superintendent, Principal and Athletic Director also included an invitation to each of you to address the Task Force by notifying our office of your intent to do so. Several of you have responded and will be on the agenda on the 9th starting at 4:30 p.m. It is our intent to be inclusive as a part of this important process.

The Task Force Meeting is in the Colonial Ballroom at the hotel. There is adequate parking, and direct access off of Mason Headley Road in the rear of the Campbell House through entrance #3.

REPORTING OF SCORES AND SCHEDULE ENTRY

Please remember to call in the scores of contests, win or lose, to the KHSAA/Riherd's Scoreboard **immediately** following each contest. The number is **1-800-715-8388** and is toll free.

We also ask that member school personnel review your baseball, basketball (boys and girls), and softball schedules and update any changes

BYLAW 4 REMINDER

A key provision of Bylaw 4 should be reiterated to all school personnel at all grade levels in KHSAA school systems at this time of year. Once a student is promoted from grade eight to grade nine by the school, the student's four year (eight semester) limit begins to toll.

Students who are "held back" after being promoted from grade eight (8) are not only ineligible for high school sports (grade 9-12) at any level during the year they repeat, but lose the "senior" year as well as the four year count would be exhausted. School personnel should be mindful of this fact when parents request such action.

State regulations clearly call for the school to have the final say in promotion and retention decisions, and once the student has been promoted from grade eight, the four year count has begun.

BASKETBALL PHOTOS DUE

Please note basketball team photos **AND** rosters are due by February 10.

For photos, please go to the "Members Only" page on the KHSAA website and use the "Upload Photo" feature. You may also e-mail the photo provided it has been scanned at a minimum DPI of 300 and is not bitmapped. The file should be sent as an attachment and saved with a file extension of .jpg, .gif, or .tif. If mailing a photo, the photo **MUST BE AN ORIGINAL**. Faxed copies, copies of photos, newspaper copies, or laser printer printouts **ARE NOT ACCEPTABLE**. Failure to submit the photo will result in a fine as permitted by KHSAA Bylaw 33, and this will be enforced.

Rosters should also be entered on the "Members Only" page using the "Enter Team Rosters" link.

For assistance with the entry of either item contact Marilyn Mitchell at the Association or mmitchell@khsaa.org.
