June/July 2007

• PLEASE COPY AND DISTRIBUTE TO ALL ATHLETIC DEPARTMENT PERSONNEL •

FROM THE COMMISSIONER'S DESK

Thanks to each of you for an outstanding school year. Summer has officially begun now that the Fifth Third KHSAA State Baseball Tournament is in the records book. This year's tournament at Applebee's Park was a great way to conclude an outstanding spring championship season. We were

really pleased to have a record crowd of 4,467 for the final game between Shelby County and Paul Dunbar.

Special thanks go to Gary Dearborn, of Pendleton County High School for his leadership and dedication to the Association as President of the Board of Control for the 2006-07 school year. We will also miss outgoing Board members Paula Goodin (Pineville) and Chuck Broughton (Apollo), and are appreciative of their outstanding service to the Association. We congratulate our new Board of Control Officers, Donna Wear, Principal at Lone Oak High School, as the incoming Board President, and Mike Barren; Paul Dunbar as Vice President for the 2007-08 school year.

We welcome new KHSAA Board members Kelley Crain, Superintendent Fleming County Schools, Stan Steidel, Covington Independent Schools and Roger Cook, Superintendent Russellville Schools. In addition, Jeff Schlosser was re-appointed by the KBE for an additional term on the Board. These new members begin their tenure in July and will be in attendance at the upcoming Board of Control Meeting July 12 & 13, 2007.

Have a great summer everyone!

MEMBER SCHOOLS REMINDED ABOUT HEAT INDEX REQUIREMENT

The Board of Control affirmed at its May, 2006 meeting that the submission of the Heat Index Forms by each school participating in a fall sport is **REQUIRED**. The form, GE20, is to be maintained by each fall sports team on every day that a practice of any type is held. The form is available on the KHSAA web site, <http://www.khsaa.org/forms/ge20.pdf> or <http://www.khsaa.org/forms/ge20.doc>. The form and the chart are again enclosed in this mailing. Schools issuing equipment for use during the summer are reminded that the Heat Index provisions and restrictions are in place anytime school equipment is issued.

Complete information about the heat index plan and the manner in which data is to be collected can be found on

the KHSAA web site, <http://www.khsaa.org> and then pull down the KMA/KHSAA Heat Information near the bottom of the page. The most important single document is the temperature chart, which allows for you to enter the temperature at the site of practice/play and the humidity, and it gives you the heat index. It is from that index that the determination must be made as to the removal of any equipment or the cessation of practice or play.

2007-08 INSURANCE COVERAGE

The following is an important insurance clarification: The KHSAA will, through the general fund budget, fund the purchase of catastrophic medical insurance to cover those students participating in 1) all events for which the KHSAA sponsors a state high school championship, 2) all events in which the KHSAA provides rules interpretation clinics but does not sponsor state high school championships, and 3) competitive cheer competitions during which the competition is conducted within the stunt limitations of the National Federation Spirit Guide.

This would specify that student athletes are insured while representing a member school during the prescribed Limitation of Seasons (Bylaw 25) in the sports of:

Baseball	Golf	Track
Basketball	Soccer	Cross Country
Spirit	Softball	Volleyball
Field Hockey	Swimming	Wrestling
Football	Tennis	

Effective with the 2007-2008 school year, this coverage has a \$5,000,000 maximum medical benefit (excess of personal or school purchased insurance); a \$25,000 deductible, and a 10-year benefit period in which to receive the maximum benefit for a catastrophic injury.

Schools should also carefully note that catastrophic insurance coverage is only valid during the Bylaw 25 Limitation of Seasons for each sport. Play during the summer and off seasons is not covered by the Catastrophe Insurance. In addition, schools should check very carefully to see if activities during the off season and summer are covered by any other policy purchased by the school or school district.

In general, interscholastic (between school) play IS NOT covered by most policies, and special riders or additional insurance must be purchased. It is advised that coaches, Athletic Directors and building administrators check with system personnel prior to the authorization for play during off season periods.

ANNUAL MEETING PROPOSALS DEADLINE

All proposals for the Annual Meeting of the Delegates must be submitted by the September 10 deadline to be presented at the Annual Delegate Assembly Meeting of member schools October 18, 2007 at the Lexington Center.

Proposals should be addressed to the attention of Julian Tackett, Assistant Commissioner. Prior to the meeting, proposals submitted will be posted on the KHSAA website as well as sent to each member school's delegate.

TRANSFER FORM INFORMATION

July through October is one of the busiest times of the year for processing domestic and non-domestic student eligibility forms #GE06 & #GE07 (Transfer Forms) coming into the KHSAA office. **We would appreciate your assistance in helping with the transfer process so we can provide you with rulings in a timely manner:**

- o Revised transfer forms for the 2007-2008 school year can be downloaded from our website (www.khsaa.org, forms, general forms, GE6 [domestic] & GE7 [foreign exchange]). **(Outdated transfer forms will be returned)**
- o Review the transfer form and make sure the form is completely filled out by the sending and receiving school **(Incomplete forms will be returned to the receiving school)**
- o Include an accurate enrollment date **(Postdated enrollment dates cannot be processed and will be returned to the receiving school)**
- o Allow one week from the date you mail the form to the KHSAA before calling the office to check on the status **(School personnel will receive priority)**
- o Inform parents that all communications regarding the transfer status should be between them and the school **(Not the KHSAA)**
- o **FAXed transfers are not accepted**
- o **Hand-delivered transfers are not accepted**
- o If there has been a change of custody, **please include a copy of the court ordered documents with the transfer**
- o **Do not use a Post Office Box** for either the sending or receiving school address
- o **If questions #1 & #2 on page 2 are checked "NO"** (student has never played in a varsity contest in any sport), **the transfer form does not need to be sent to the KHSAA for processing.** It should, however, be kept on file at the school

- o Foreign exchange transfers will be returned if they do not include the following paperwork, **in addition to the GE7 transfer form:**
 - o Copy of the student VISA **(must be the VISA, not a copy of the passport)**
 - o Copy of the J-1 Certificate of Eligibility For Exchange Visitor Status Form (DS-2019) Prepared by the Agency per the Guidelines of the US Department of State **(must be the DS-2019 and not the stamp on the VISA)**
 - o Copy of the Financial Information Verification translated into English, verifying lines 26 and 29. **(This should be on the agency letterhead and include any verification that all fees (and those amounts must be listed) were paid by the natural parents for participation in the exchange program.)**

Your cooperation in this important matter is greatly appreciated. **If you have any questions about the transfer or appeal process, please contact Darlene Koszenski** (Administrative Assistant to Commissioner Brigid L. DeVries) **at 859-299-5472.**

OFFICIAL RE-LICENSING

The Kentucky High School Athletic Association Board of Control and Staff expects re-licensing officials to license during the standard re-licensing period of May 1 through June 30 of each year.

In keeping with that expectation, post season playoff levels/rounds requiring a Level Two or Level Three official may be officiated only by Level Two or Level Three officials who have re-licensed by the June 30 deadline. Currently those sports are: baseball, basketball, fast pitch softball, football, soccer and wrestling.

Each completed re-licensing form processed after June 30, 2007 will be assessed a \$40 late fine.

All KHSAA Assigning Secretaries are encouraged to communicate this information to their respective officials.

Be on the lookout for the AD orientation meeting sponsored by the KHSAA in August. On the eve of the orientation the KHSADA/NIAAA will again sponsor two Leadership Training Program Courses to be announced at a later date.

Have a restful and enjoyable summer!

HYPE

Mark your calendars now to plan and attend the 2007 HYPE Student Leadership Conference. The Conference will be Wednesday, August 29 at The Lexington Center. Additional Conference information will be posted on the Association website in July.

GAME/CONTEST CONTRACTS

The KHSAA recommends that formal contracts be written in all sports and include all terms and conditions for participation. School personnel are reminded that the KHSAA Constitution Article 8 Section B states:

"The Association will not undertake to enforce oral contracts or oral agreements to changes in written contracts."

SCHOOLS REMINDED OF CRITICAL NEED TO UPDATE INFORMATION

At this time of year, administrators and coaches are changing schools, retiring, moving to other careers, etc. This is a critical time for the KHSAA to keep its information up to date about your school.

If you are an administrator leaving your school, please take the time to update your information one last time by going through the Members Only Link on the KHSAA web site to update the information as of now.

Much effort has been expended by staff and the member schools over the last year in making sure of the accuracy of the information, and your cooperation is greatly appreciated. If you need password assistance, contact Marilyn Mitchell at the KHSAA (mmitchell@khsaa.org).

Deadline for entry for the 2007-08 KHSAA Handbook is August 3.
