Subject: District Tournament Money

Coach Gover,
With all the district tournaments in the 48th district the host school keeps all profits from the tournaments or if the tournament does not make money they deal with all losses (Has never happened that I know of). Thank you for hosting and hopefully it has generated a decent amount of money for you all.

Thanks
Alex

It's my understanding that whichever school hosts the 48th district tournaments keeps 100% of the profits.
