Subject: TITLE 9

Dear Ms DeVries: Please note that the T3 should have shown that Fulton County would implement volleyball as a jv and a varsity sport for the 2002 2003 school year. Attached is the board minute order #171 authorizing that action. Corrections on the T4 have been noted. Our corrective action plan showed that we would address the locker room and facilities for storage and that in scheduling basketball games that prime time games for girls would be increased. We also stated that we would offer girls golf this school year. While there is no girls golf team currently we are trying to stir interest in the lower grades by working with the junior program at the local country club. We are also surveying the interest for soccer at the elementary schools in order to form an intramural league. We hope to offer soccer as a varsity and jv sport in the near future. We are still working on scheduling for the coming basketball season ;however, we currently have 6 b-g games on Friday night and 1 b-g game on Sat. We have 2 games in which the boys will play before the girls.

Sincerely,
David Gallagher
