To Whom It May Concern,

Last year approximately \$1,000,000 was spent on new sports facilities. I broke it down into the sports that are using these facilities. Those sports are: track, soccer, and football. Of course both boys and girls in track and soccer use these facilities as well as the football.

Last year the board spent approximately \$17,000 on travel for all our sports. I did not include that money into the total expenditures, because the board picks up the travel. I just wanted you to know that there was an additional 17,000 spent on top of what was shown in the expenditures.
