Re: Title IX Visit

Dear Mr. Akin:

Pursuant to 702 KAR 7:065, the Kentucky High School Athletic Association has been directed to assist member schools in monitoring compliance with Title IX. Part of this assessment process includes reviewing the progress schools are making with their Gender Equity Review Committees and Title IX plans. Twenty percent of the KHSAA membership will be visited this year, and subsequent years until every school has been visited. KHSAA Audit Staff members may be accompanied by KDE personnel on these visits.

We have scheduled Monday, November 19, 2001, as the meeting date for Adair County High School. We would like to meet with your Athletic Director or designee at the high school at 2:30 p.m. We will begin the visit with a tour of all of your indoor and outdoor athletics facilities including locker rooms, meeting rooms, storage areas, practice and competition areas, etc. The facilities tour usually takes about an hour and a half. Please have examples of boys and girls uniforms on display for our review. In addition, please have your permanent Title IX file available for review at the time of this visit.

Following the tour we will meet with members of your school's Gender Equity Review Committee which should include the following: Title IX Coordinator, Principal and/or Superintendent, Athletic Director, and any other Committee Members you may want to invite. In addition, if you wish to invite parents, athletes, or school board members, please feel free to do so. You should be prepared to discuss your athletics program in detail. Please make copies of pertinent information related to the Audit Document and 2000-2001 Title IX forms for your committee to review prior to the meeting. We would encourage you to update these materials if it would be feasible to do so before this meeting.

We will schedule a public comment session at 6:30 p.m. for the purpose of allowing any interested parties the opportunity to ask questions regarding gender equity and Title IX as well as the overall athletics program at your school. Members of your administrative staff and representatives of your Title IX Committee should be present for this session. The KHSAA will give public notice to various media outlets regarding the visits.

The duration of the Public Comment Session will vary, depending upon the number of people who attend the session and ask questions. You are responsible for notifying the student body, parent groups, faculty coaches, the general public and local media outlets as to the time and location of the public comment session.

Please feel free to contact Brigid DeVries, or Victoria Sewell if you have further questions prior to the visit.

Sincerely,

## MEMORANDUM

TO: Selected Member School Principals

FR: Louis Stout, Commissioner

CC: Superintendent

DATE: August 8, 2000

RE: Inadequate Title IX Report Submissions

In 1998, the Kentucky High School Athletic Association was informed by the Kentucky Board of Education that the requirement for assuring compliance with Title IX requirements for all member schools would be the responsibility of the KHSAA. Since that time the KHSAA has spent a significant amount of time in seminars, conferences, in written communication and on-site visits conveying information to help ensure that our member schools meet that requirement. Over six months ago each superintendent, principal and annual meeting delegate was given a full compliment of Title IX documents and resource material. Throughout all of our efforts each school has been made aware of the deadline (June 30, 2000) for ALL compliance information to be submitted to the KHSAA.

We appreciate the receipt of your school's Title IX compliance information and your efforts to help the KHSAA comply with the KBE mandate. However, vital pieces of information have been omitted. The necessary information that has been omitted is identified in the attachment (**Attachment Forms Sent To Principals Only**). You are hereby provided a twenty (20) day grace period (from the date of this letter) to submit the necessary and/or corrected Title IX documentation. Should you fail to submit the required information within the allotted grace period, your school will be in jeopardy of being suspended from post-season athletic participation for the 2000-2001 school year.

Should you have any further questions regarding this letter, please do not hesitate to call.
