RE:

Inadequate Title IX Report Submissions

In 1998, the Kentucky High School Athletic Association was informed by the Kentucky Board of Education that the requirement for assuring compliance with Title IX requirements for all member schools would be the responsibility of the KHSAA. Since that time the KHSAA has spent a significant amount of time in seminars, conferences, in written communication and on-site visits conveying information to help ensure that our member schools meet that requirement. Over six months ago each superintendent, principal and annual meeting delegate was given a full compliment of Title IX documents and resource material. Throughout all of our efforts each school has been made aware of the deadline (June 30, 2000) for ALL compliance information to be submitted to the KHSAA.

We appreciate the receipt of your school's Title IX compliance information and your efforts to help the KHSAA comply with the KBE mandate. However, vital pieces of information have been omitted. The necessary information that has been omitted is identified in the attachment (Attachment Forms Sent To Principals Only). You are hereby provided a twenty (20) day grace period (from the date of this letter) to submit the necessary and/or corrected Title IX documentation. Should you fail to submit the required information within the allotted grace period, your school will be in jeopardy of being suspended from post-season athletic participation for the 2000-2001 school year.

Should you have any further questions regarding this letter, please do not hesitate to call.
