TRAVEL

Trips exceeding 150 miles in one way distance and overnight trips need the approval of the principal or athletic director. Out-of-state trips must have the approval of the principal and the Board of Education. In case of participation outside the state of Kentucky, the head coach is required to make sure that the event, if needed is sanctioned, as required by the KHSAA. All transportation should first go through Floyd County Schools. Any mode of transportation to be used for school athletic events other than FCS buses, must receive prior approval by the principal and the Board of Education, as required by school board policy. Costs and other finances associated with overnight trips will be the responsibility of the team's booster organization.

PER DIEM

Allen Central does not pay for athletic participants' meals. However, the boosters may purchase one meal when returning from an overnight trip at the conclusion of the event. That meal will not exceed \$20 per athletic participant.

Per Diem allowances for athletic participants during post-season (KHSAA state tournament) play shall follow these guidelines:

Breakfast	\$5.00
Lunch	\$7.50
Dinner	\$15.00

If it is a sport in which reimbursement is to the school by the KHSAA, the school will reimburse the sport's boosters the amount allotted to the school per meal by the KHSAA.

Booster clubs must follow the above-stated guidelines during regular season and district/regional play. Unless being reimbursed, per diem per athlete shall not exceed \$20.

Housing allowances will not be granted during regular season, district, or regional play – this burden falls squarely on the sport's boosters. If it is a sport in which reimbursement is made by the KHSAA for participation in state level play, the school will reimburse the boosters the amount provided to the school by the KHSAA – this will occur following the school receiving the reimbursement check from the KHSAA. In addition, the allowance for hotel costs shall not exceed \$90.00 and no more than 4 athletes shall be assigned to a single room.

The principal or athletic director reserves the right to suspend the team's right or booster club's right to purchase meals if the guidelines are not met.
