ACCOMMODATION OF INTERESTS AND ABILITIES**SUMMARY PROGRAM CHART 3****Participation Opportunities Test Three**

If girls are underrepresented in the interscholastic athletics program, answer the following questions for girls only. If boys are underrepresented in the interscholastic athletics program, answer the following questions for boys only.	GIRLS		BOYS
1. Is there an intramural team offered in a sport not now available in the interscholastic athletics program? (YES or NO)	No		
2. For a sport <u>not</u> currently offered, is there sufficient interest to form a viable interscholastic team based on participation on an intramural team or community recreation teams? (YES or NO)	No		
3. For a sport currently offered, is there enough interest to form a viable team for a junior varsity, freshman, or other interscholastic level that is not currently offered? (YES or NO)	No		
4. If you answered yes to question one, two, <u>or</u> three, are there enough other high schools in your school's normal competitive region offering the sport and competitive level of sport to constitute enough competition for a reasonable competitive schedule? (YES or NO)	N/A

Concerns/Comments:				

** If applicable to program.

As the girl's basketball coach, I am opposed to changing the game nights. This causes more conflict with gym time for practice, our situation causes varsity and jv to be played in two different schools, and it throws our team out of their routine. When I polled the team, they were also opposed. They want to attend boys games and support that team.
