October 2, 2014

This letter is to inform you of our meeting held on October 2, 2014 regarding student interest in bowling as a club sport. Unfortunately, we only had two students present at the meeting. We feel at this time it is not in our best interest to pursue bowling for Anderson County High.

Sincerely,

Anderson County High School

Rick Sallee
Athletic Director

Our mission is to care for all students, to engage them in learning, and to prepare them for the future.
