

***1) Banquet Awards***

Banquet awards are defined as those specific awards given by a specific sport for individual accomplishments through a specific season. Each athletic team may have an awards program for its team. The athletic department will contribute up to \$150.00 for award expenditures. The athletic department will also provide certificates of participation, bars, and letters for each deserving player. Individual teams must provide their own food for award banquets through fundraising. All banquet expenditures, including awards and food must be submitted and approved by the Athletic Director prior to the banquet.

- b) Injury rule: Any athlete who is a starter or plays regularly and was thereafter injured may be awarded a letter, if in the coach's judgment, he/she would have met the lettering requirements.
- c) In a sport where state tournament play is sponsored, athletes may letter if they have become a starter and play 25% of the quarters, innings, matches, or score team points in individual competition in tournament play regardless of other lettering criteria.
- d) Complete the season in good standing with the school and coach.
