

Uniform Rotation

Uniforms are purchased by the Athletic Department, Beechwood Athletic Boosters, team's fundraisers and individual athletes. These uniforms will be for varsity only. Uniforms should be replaced at least every four years. Each team offers the athletes an opportunity to purchase spirit packs and uniforms (golf, tennis) that they keep.

Trainer

The athletic trainer services are provided by NovaCare Sports Medicine Services. They provide a trainer who is present on our campus for all practices and contests. NovaCare also provides a doctor(s) and extra trainers for home football games because of potential injuries.

Batting Cage Usage

*OK
Sheet
10-12-13*

The Batting cage is a shared facility. The Girls' Softball team and the Boys' Baseball team will both be able to use the Batting cage. Boys and Girls will alternate usage. For example, if the Boys are Session 1 and the Girls are Session 2 on Monday, then Girls will be Session 1 and the Boys will be Session 2 on Tuesday. During the spring season for these two teams the batting cage schedule is as follows:

Session 1 - 3:00-3:45

Session 2 - 3:45-4:30

Travel and Per Diem

Beechwood Independent Schools transport the athletic teams by school buses or approved charter bus transportation. The charter bus transportation is only for post season events. The chartered bus is used for all teams traveling over 100 miles with a minimum of 40 participants. The school's SUV is used for Girls and Boys teams with 12 or less participants. In some instances, a group of parents will transport the athletes on these teams.

These expenses are the responsibility of the Board of Education, Athletic Department, Athletic Boosters and individual teams fundraising. The Board of Education is responsible for approving all athletic trips over 100 miles. Athletic Department and/or the Athletic Boosters will provide food (Subway or Pizza) when teams travel over 100 miles. Cost will be approximately \$8.00 per athlete. If an overnight stay is required, the Athletic Director recommends a hotel costing between \$60 and \$100 dollars with a hot breakfast included.
