To: "Johnston, Kathy" <kjohnston@khsaa.org>

Swimming: no regulation size pool anywhere in area for practice/meets. Don't think there are any teams locally due to same problem.

Cross-Country: Dropped program 8-10 years ago due to lack of interest. Only 1 distance runner on track team this year. Will call students out in fall from survey, and any other students who may be interested, and again assess interest. Will proceed accordingly.
