Subject:	Title IX Re-Visit Submittal of Information Requested

<div align="center">Send Email</div>

Mr. Wills, the submissions requested by the Title IX re-visit report have been received. There were two items missing **which should be submitted by May 31, 2011**:

1. A policy regarding the provision of recognition events for athletic achievements, for example, banquets
2. A schedule for weight training at alterante location(s) by teams not using the weight room currently.

In addition, there is need for a clear explanation of what group of cheerleaders will cheer for girls' basketball games, given the overlap of female basketball players who are cheerleaders. Also, it is always recommended that purchases or services provided by booster clubs be required to have signatures of approval from school administration prior to execution.
