To Whom It May Concern:

Based on the 2015-16 Title IX surveys, Betsy Layne had interest in adding the following sports; Soccer, Swimming, and Tennis. Based on interest, Betsy Layne scheduled parent/student meetings to see if the interest had true merit. We conducted the soccer meeting on 7-15-16 and 3 students were present for the meeting. On 8-15-16 we conducted swimming meeting on 9-8-16 with 4 students in attendance. Finally on 11-21-16 in conjunction with our Title IX gender equity meeting we had an interest meeting for students wanting to play tennis. There were 0 students present for that meeting that was interested in playing tennis.

Based on the attendance of those meetings, Betsy Layne feels like the interest had no true merit. However, Betsy Layne will continue to monitor these interest by examining our 2017-18 Title IX survey results.

Warmest Regards,
