

BOONE COUNTY HIGH SCHOOL

TITLE IX REPORT 2010-2011

ADDENDUM: BCHS

Transportation & Boosters – forms T35 & T36

In forms T35 & T36 most of our sports show no travel expenses. This due to two factors. Our School district is on a staggered start system (High Schools & Middle Schools start at 7:40 and end at 2:25. Elementary Schools start at 8:30 and end at 3:30). This means we can't get a bus for athletic contests until 4:15 at the earliest. The second factor is our geographical location places us very close (within 10 miles) of 26 Northern Kentucky High Schools. Therefore most of our teams use parent transportation to and from sporting events. We use buses for all Football travel (dirty uniforms & equipment & large number of participants and for other sports when we go long distances out of town or staying for an extended period of time. Whoever uses school transportation has to pay for this transportation out of their individual accounts. We receive no assistance with this.

Boone County High School shows no financial assistance from Boosters. We do not have athletic Boosters here at BCHS. Each sport is responsible for fundraising the necessary dollar amount for their season and everyday expenses.

**POLICY DESCRIPTION: TEAM TRAVEL PER
DIEM ALLOWANCES**

MEALS:

All teams will spend no more than \$30.00 per Athlete per day while traveling and representing Boone County High School (BCHS).

LODGING:

All teams who participate in Athletic contests representing BCHS that require overnight lodging will pay no less than \$60.00 or no more than \$150.00.

TRAVEL:

The Boone County Board of Education does not provide transportation for extra-curricular activities unless that particular sports team/club pays for it. If this is the chosen method of transportation prior approval and scheduling must occur through the BC schools transportation department. Student athletes in most cases provide their own means of transportation to and from each event.
