Ms. Johnston,

Due to the interest indicated in our student survey for Archery and Bass Fishing we will have two meetings determine actual interest.

The first will be Monday August 18<sup>th</sup> immediately after school for students who may be interested.....the second will be the following Monday August 28<sup>th</sup> at 7pm which will include interested students and their parents. Results of these two meetings will be discussed at our September Gender Equity Committee meeting.

Thank You,
