

Bowling Green High School

Charter Bus Policy for Athletic Teams

- I. All BGHS Athletic Teams are afforded the opportunity to take charter buses to away contests.
- II. The expense required for a BGHS Athletic Team to use a charter bus is the responsibility of the booster club that supports the team. The BGHS Athletic Department will reimburse the booster club the amount the trip would have cost taking a school district bus.
- III. The distance requirement to take a charter bus is two hours one way from Bowling Green High School. Any trips that are less than two hours one way when traveling by school district bus are prohibited from using a charter bus for the trip.
- IV. BGHS Athletic Teams are limited to charter bus companies that have been approved by the Bowling Green Independent School Board.
- V. BGHS Athletic Department requires a minimum of two coaches/adult supervisors. The selected coaches/supervisors must have completed all KHSAA required trainings to include the respective coaching clinic and KHSAA Safety Course.
