SUPPORT GROUPS

DIRECTIONS – Please respond to the following questions or statements regarding your cheerleading squad(s) and other support groups. Add pages if more space is needed to answer any of the questions/statements. Please type or write legibly in ink.

1. How many cheerleading squad(s) will your school have for the 2004-2005 school year?

Two Squads.

2. What is (are) the name(s) of each squad? For example, the following are typical names: generals, or black and gold, or boys' varsity and girls' varsity, or varsity and junior varsity.

Blue Squad

White Squad

3. Describe, in detail, the selection process for each named squad.

Tryout dates are selected for both squads, along with practice sessions held within a two week window. All participants interested in trying out for either squad attend the practices together and learn the same material (i.e., cheers, dances, stunts). The participants choose which squad they want to try out for. They are judged by the same score sheet.

4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow.

Both squads perform at all home and away varsity events for boys and girls sports.

5. Name any squad(s) that takes part in competitive cheerleading events.

Both squads participate in the KAPOS regional at-large competition.

6. Do you have any other school groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.

Yes, pep band. The band performs at home contests, splitting performances equally between boys/girls varsity events.
