2007-2008	Sustain or grow current programs and participation numbers.  The 2007-2008 student survey areas of high interest will be explored. Areas to address girls: soccer, track, tennis.	A feasibility study was conducted to determine if a shuttle bus is feasible.  Three after school meetings were conducted to determine if there was sustainable interesting in adding an additional girls sport.	To be discussed, reviewed, and determined by August 2008. During the spring 2008 information was presented regarding a shuttle bus in the afternoons. After discussing this issue it was determined this would not be reasonable.  Limited interest was demonstrated at the 3 meetings.
2008-2009	Participating numbers over the last 8 years are declining. We must sustain numbers in our current programs.	Determine how to develop a partnership between community and schools to develop a youth program in Breckinridge County.  Review the district middle and high school athletic policies to determine who is eligible to participate.	2009/2010 ongoing  2009/2010 to be reviewed in October, 2009
