**SUPPORT GROUPS**

**DIRECTIONS** – Please respond to the following questions or statements regarding your cheerleading squad(s) and other support groups. Add pages if more space is needed to answer any of the questions/statements. Please type or write legibly in ink.

1. How many cheerleading squad(s) will your school have for the 2006-2007 school year?

*One*

2. What is (are) the name(s) of each squad? For example, the following are typical names: generals, or black and gold, or boys' varsity and girls' varsity, or varsity and junior varsity.

*Varsity*

3. Describe, in detail, the selection process for each named squad.

*Tryouts are held each spring for the proceeding year. Two individual judges are brought in with no ties to the school or any of the females trying out for the team to pick the squad.*

4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow.

*Because we only have one cheerleading squad, all of the girls cheer for each varsity boys or girls home game as well as away district games and some schools that are not too far away. The cheerleading squad cheers an equal number of varsity boys and girls basketball games.*

5. Name any squad(s) that takes part in competitive cheerleading events.

*Varsity*

6. Do you have any other school support groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.

*Yes-Pep Band: Sign up for as a class.*

*School Mascot: Volunteers from the student body.*

2002-2003	Thirteen students showed an interest in participating in tennis on the interscholastic athletics student survey.	Interest in forming a tennis team will be monitored and if there is enough student interest, then an action plan will be put into place to find a facility (tennis courts), coaching staff, etc. in order to facilitate offering tennis as a spring sport.	During the 2003-04 school year. A student interest survey will be given to students in the fall of 2003. If needed an action plan will be written by spring of 2004.
