

Booster Club Agreement

5. In addition to complying with the requirements of Title 702 of the Kentucky Administrative Regulations, Chapter 3:130 (internal accounting), and all other relevant statutes and regulations, the Booster Club shall, upon the request of the Principal or Athletic Director of _____ School, or upon the request of the Superintendent/designee of the Danville Public Schools, provide a full and complete accounting of all moneys raised, as well as a full and complete accounting of all moneys expended and provide an annual financial report to the Principal no later than July 25 for the year ended June 30. In addition, if requested to do so, the Booster Club shall also provide audited financial records concerning its activities.
6. Requests for fund-raising activities shall be directed in writing to the school Principal for approval within the first 30 days of school. These requests should be planned and approved by the Booster Club as reflected in booster minutes submitted with the requests. Additional requests during the year must be submitted to the school Principal for approval a minimum of 30 days prior to the fund-raising activity. No solicitation of funds or requests for donations shall be conducted by a Booster Club without approval of school Principal. All receipts, and invoices related to approved fund-raising activities must be made available upon request for review by the school Principal and/or Superintendent/designee. A fund raising report must be made available to the school Principal at the close of each activity.

The Booster Club shall submit an annual proposed schedule of events to the school Principal at the start of each school year. Events that require school personnel for supervision or custodial work are the responsibility of the Booster Club and must be compensated according to school policy.

7. The Principal and Athletic Director of _____ School and the Superintendent of the Danville Public Schools expressly reserve the right to reject any fund-raising activity for any reason. The Booster Club agrees that it shall not engage in any fund-raising activity which has not been approved or which has been rejected by the Principal or Athletic Director or the Superintendent. Participation in booster activities by parents/guardians/relatives of student/athletes is not required for participation in Danville School Athletics. No special considerations or restrictions can/will be placed on student athletes related to booster groups. Coaches shall not participate in voting on booster club activities.
8. Any purchase by the Booster Club in excess of \$500 must receive prior approval from the Principal and Athletic Director of _____ School. Failure to comply could result in the Booster Club being moved to an internal activity fund for a probationary period, at the discretion of the Principal and Athletic Director.
9. A Booster Club organization using external accounts shall not use the state tax exempt or federal identification number of the school or district but shall obtain a state tax exempt or federal identification number specifically and only for the use of the booster organization.
- ✓ 10. ~~The Board of Education does not assume any financial responsibility for a Booster Club.~~
