Re: Daviness County High School Re-Visit Status Report / Softball Facilities Upgrades

Mr. Gary Lawson, Title IX Auditor
Kentucky High School Athletic Association
2280 Executive Drive
Lexington, Kentucky 40505

Dear Gary,

Please accept this letter as our final status report concerning the softball facility upgrades for Daviness County High School. All recommended construction is complete and the facility is now in our possession and is being fully utilized by the DCHS Softball Team. The only unfinished task is some grass seeding in areas that were affected by construction. The seeding will be done when weather and temperature are most suitable. Otherwise, the facility is ready for use, without restriction, for both practices and competition. Please let me know if anything further is required. Thanks.

Sincerely,

Mark Owens, Director of Personnel and District Title IX Coordinator

Cc: Matt Mason, DCHS Principal; Doug Sandifur, DCHS Athletic Director;
David Humphrey, DCPS Director of Building and Grounds

Daviness County Board of Education
Mr. Frank G. Riney, III, Chairperson, Ms. Dianne B. Mackey, Vice-Chairperson
Merritt Bates-Thomas, Randall E. King, M.D., and P. Mike Clark
