Phyllis,

Please attach a copy of this email to Dixie Heights High School annual report. I am also sending an email with an attachment from Ken Mueller from Scott High School to be included with that annual report. Let me know, if there are problems. I can bring in a copy to you if needed.

Thank you,
Sharon T.

Sharon,

Dixie Heights had a female and boys archery team this past year and we plan on having an information meeting regarding bass fishing in the fall. If you need anything else let me know.

Thanks,

Matt

Matt,

My email address is stippett@khsaa.org. Please send a statement addressing the survey interest in fishing and the followup plans to determine real and genuine interest in this sport.

Thanks and have a great summer.
