Subject: Title IX

Bob, I have been asked to monitor your progress as it relates to the equitable scheduling of prime-time basketball game opportunities for boys' and girls' at Evarts High School. Your 2001-2002 season schedules indicate that this current season reflects one home prime-time basketball game scheduled for girls (Saturday, February 2nd at 2:00 P.M.) and three home prime-time basketball games scheduled for boys (Saturday, January 5th at 6:00 p.m. and Saturday, January 12th at 6:30 p.m. and Friday, February 1st at 7:30 p.m.). I realize that your school and your school site based council have indicated that an equal (50%/50%) prime-time breakdown for boy's and girl's opportunities will occur beginning with the 2002-2003 season. I have indicated that should that not be the case, the boy's prime-time games will be reduced by the KHSAA to equal that of the girl's prime-time games. Good luck on your efforts to accomplish the wishes of your site based council with regard to prime-time opportunities.
