SUBJECT: Evarts High School Basketball
Prime-Time Playing Opportunities for Boys' and Girls'

Bob, I have been asked to monitor Evart's progress as it relates to the equitable scheduling of prime-time basketball game opportunities for boys' and girls' at Evarts High School.

Your 2001-2002 season schedules indicate that this current season reflects one home prime-time basketball game scheduled for girls (Saturday, February 2nd at 2:00 p.m.) and three home prime-time basketball games scheduled for boys (Saturday, January 5th at 6:00 p.m. and Saturday, January 12th at 6:30 p.m. and Friday, February 1st at 7:30 p.m.). I realize that your school and your school site based council have indicated that an equal (50% / 50%) prime-time breakdown for boy's and girl's basketball contest opportunities will occur beginning with the 2002-2003 season. I have indicated that should that not be the case, the boy's prime-time home games will be reduced by the KHSAA to equal that of the girl's prime-time home games.

Good luck on your efforts to accomplish the wishes of your site based council with regard to prime-time playing opportunities for both genders.

Commissioner Louis Stout
