to Darren, me

On May 24, 2016 we held an interest meeting for swimming and we had 10 boys and girls show up. Then we held another interest meeting on Oct 20, 2016 we had 4 boys and girls show up not enough to justify starting a new sports team at this time. We are currently proposing a proposal letter to DODEA (Department of Defense Education Act) to start an archery program. Currently DODEA does not recognize archery and bowlin competitive sports.

Charles,

We will not be opening up the Title IX forms as they are closed and we are in the transition for summer roster maintenance. I have copied Mr. Bilberry on this reply - please you can just email the information to him and we could add it to your report as a supplement.
