SUPPORT GROUPS

DIRECTIONS – Please respond to the following questions or statements regarding your cheerleading squad(s) and other support groups. Add pages if more space is needed to answer any of the questions/statements. Please type or write legibly in ink.

1. How many cheerleading squad(s) will your school have for the 2004-2005 school year?

2

2. What is (are) the name(s) of each squad? For example, the following are typical names: generals, or black and gold, or boys' varsity and girls' varsity, or varsity and junior varsity.

GOLD GREEN

3. Describe, in detail, the selection process for each named squad.

Tryouts begin with posted open gym practice sessions to learn required dance and cheer routines used during the week. Points are accumulated for the entire week of the tryouts and final performance. Assignment to teams is based on rank finish.

4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow.

The gold squad cheers for the varsity boys and the green squad cheers for the varsity girls basketball teams. Both teams cheer for the varsity football team. Games to be cheered during the basketball season include home games as well as away games that are district and regional rivals. In the event one squad is not available, the other squad will perform during big games.

5. Name any squad(s) that takes part in competitive cheerleading events.

Gold and Green

6. Do you have any other school groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.

Yes. Pep Band is requested for the same number of boys and girls games for district and regional opponents. The dance team is asked to dance on nights of district rivals and when boy/girl double headers are scheduled as a home event. We have also brought the middle school cheer squads and dance teams in to perform at the events that the high squads are not available. An equal number of sessions for both boys and girls are scheduled.
