

Responsibilities of Boosters:

- The AD and Principal shall inform the Booster Club that their efforts and expenditures cannot exceed Title IX guidelines and expectations.
- The Principal and AD shall insure appropriate administrative oversight of Booster Club activities, and insure that there are written procedures for the AD/Principal/BOE approval for fundraising and expenditures that benefit athletic teams.
- The Principal and AD shall calculate and monitor the amount of money spent by the Booster Club, per male athlete as compared with the amount spent per female athlete.

- The Principal and AD shall meet with the Booster Club at the beginning of each school year to establish accounting, fundraising, expenditure procedures and guidelines, and Title IX rules. The AD shall meet with the Booster Club as needed with concerns or to assist in determining their future course.
- All fundraisers must be pre-approved by the Principal, AD, and Central Office.
- All purchases \$500.00 and up must be approved in the same manner as fundraisers.
- Booster Club Agreement: must be filled out and submitted, before any fundraising or expenditures can be done.
- Club Officers: must be submitted in conjunction with Booster Club Agreement.
- By-Laws: must be submitted in conjunction with Booster Club Agreement.
- Annual Financial Report: must be submitted at the end of each fiscal year. Income and expenditures must all be included in this report.

Gender Equity:

GCHS Athletic Department shall maintain an equitable policy to provide guidelines and procedures for Gender Equity Review Committee to address services for all student athletes.

All gender equity review committee services shall be governed by the following criteria:

- The GERC shall meet at least three times per school year (once for Fall Sports, once for Winter Sports, and once for Spring Sports).

- The GERC shall consist of the Principal, AD, a coach from a boys' sport, a coach from a girls' sport, a parent, a male student-athlete, and a female student-athlete.
- All GERC meeting minutes must be recorded and kept in the Title IX master file.

Finances:

The athletic fund is maintained and accounted for by the Athletic Director and Principal. Payout invoices must be submitted to the AD for approval. If approved, a Purchase Order will be made by the AD and Principal, and directed to the school district treasurer for payment. The AD and Principal must sign off on all purchases. In the event that the AD is unavailable, the Principal may sign for the two of them. Otherwise, both the AD and Principal's signatures must be present for a PO to be valid. Any coach, sponsor, or booster who orders without following this process will be responsible for paying the balance themselves.

Fundraisers:

All fundraisers must be approved by the AD, Principal, and Central Office before they can be implemented. Coaches, Boosters, and any other entity must adhere to this policy. The process is as follows: obtain copy of "Fundraiser Request" form and fill it out; submit to the AD and he/she will review and approve or reject the proposed fundraiser; if approved, the AD will sign and submit to the Principal; if the principal approves, he will sign and submit to Central Office; if Central Office approves, it will be signed and returned to the AD. After this process is complete and the fundraiser is signed by everyone, it may go forward. If any level rejects the request, it cannot move forward.

Passes and ID's:

Any individual who possesses a pass or form of identification that grants them free admission to athletic contests must present this credential before they will be permitted to enter without paying admission, each and every time. To be fair and respectful to all patrons, this policy will be followed very strictly.

Also, these passes and ID's only apply to the individual they are issued to. Anyone accompanying them (over the age of 5 years old) must pay admission to enter. Again, this is to ensure that we are fair and respectful to all of our patrons.

List of Approved Passes and ID's:

- District Employee ID
- District Issued Senior Citizen ID
- District Issued Student Athlete ID
- KHSCA (coaches) Cards
- KABC (coaches) Cards
- KFCA (coaches) Cards
- Athletic Director Cards

Multi-Sport Policy:

Student-athletes may participate on more than one team during the same season if it is acceptable to both coaches and does not interfere with school work. Student-athletes are encouraged to play other sports, during different seasons as well. Coaches are expected to support student-athletes who wish to play other sports, as long as it is not detrimental to the student's academic success.

Athletic Awards:

Greenup County Athletic Department shall maintain an equitable policy to provide guidelines and procedures for the recognition of the success and accomplishments of our student-athletes. All athletic awards for equivalent male and female teams shall be equal in quantity (ratio) and quality. The amount spent on these awards must also be equitable.

All team and individual athletic awards shall be governed by the following criteria:

- Banners: every sport offered at GCHS shall eventually have a post-season achievement banner hanging on or near their game facility (i.e. basketball – gym, football – football stadium, etc.). Only KHSAA approved District and Regional team championships will be recognized by title and year. A team that wins a state championship will receive a separate banner with the championship year.
- Awards and Trophies: all trophy cases in the main entrance shall display all female and male KHSAA district, regional, and state winners for all sports.

Travel and Per Diem Allowances:

GCHS Athletics Department shall maintain an equitable policy to provide guidelines and procedures for the travel and per diem of student-athletes.

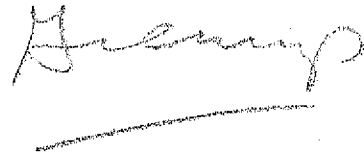

All athletic travel and per diem of student-athletes shall be governed by the following criteria:

- The athletic department will not provide money for the purchase of meals during the regular season.
- In the event that a team or individual makes the "state tournament" in their sport, the athletic dept. will purchase one meal per day during their stay at the contest. Meal money allocated for any team shall be \$15.00 per athlete/coach. Individual players for individual sports (i.e. golf, cross country, or track) will receive an allocation of \$15.00 per athlete/coach as well.
- Meals purchased by Booster Clubs for athletes must equitably allocate the same amount of money for each meal for males and females. Money amounts for each meal must be the same for girls and boys from equivalent sports (i.e. girls and boys basketball, baseball and softball).
- Hotel rooms paid for by boosters for athletes must equitably allocate the same amount for males and females. Money amounts for each room must be the same for girls and boys of equivalent sports.
- The athletic dept. will equitably provide all transportation at the current Kentucky Dept. of Education rate for athletic events for male and female sports. All buses and vans will be comparable for both male and female teams.
- Male and female sports shall be given equitable travel opportunities for regular season tournaments, post-season tournaments, out-of-region and out-of-state events. Each female and each male athletic team will be given the opportunity of participating in one out-of-state contest/tournament each year. All out-of-state and/or over-night events must be approved by the Board of Education.
- Out-of-state trips must have the same equitable location for each team and/or program. For example, if the boys' baseball team wants to play in Florida, the girls' softball team must be given the same opportunity to play in Florida as well.
- Student-athletes shall ride the athletic bus/van to and from any and all scheduled events.
- All student-athletes traveling by bus to school sponsored activities must return to the school on the same bus, unless parents/legal guardians have submitted a travel waiver and had it approved prior to the scheduled trip (a new waiver must be submitted and approved for each individual trip). If a travel waiver has been submitted and approved, the parent/guardian must see the head coach and sign their child out before they leave with them.
- Student-athletes may not be released to ride with any person other than their own parent or legal guardian unless approved in writing by the parents, administration, and coach.
- Student-athletes with extenuating circumstances may request approval in writing for another means of transportation, by the coach, principal, or athletic director.
