Golf and volleyball have been in full swing..Golf will enter regional play in a week and volleyball will continue on in the regular season. Cross Country had their first meet last week and will continue running until November. Middle school girls and boys basketball started practice this week. Various fund raising events have been approved for the teams during their season. Our athletic fund is in good shape and progress reports for our student athletes have been checked. Cheerleading practice has started and everything seems to be moving in the right direction. The KHSAA will be here in November for an audit and our records along with the facilities will be checked. No concerns and the meeting was adjourned.

Basketball season for the high school has 3 weeks left in the regular season. Fulton County High School is hosting the high school district basketball tournament. Dates have not been set yet but a meeting will be next week to determine this. The new regional alignment has been set and the first district remains the same 4 teams. Second district will be McCracken County, St.Mary,Paducah Tilghman and Community Christian Academy. Third district will be Mayfield,Ballard, and Graves County. Fourth district remains the same. This will effect all sports in our region.This new alignment is due to the consolidation of the McCracken County schools. The middle school basketball tournament is being played this week at Fulton City High School.The championship game will be January 31.Corrections have been made from the KHSAA audit.There were minor corrections concerning the proper wording on various policies and the posting of schedules in the weight room.Overall the KHSAA said we were doing a fine job with our compliance with TitleIX. Baseball and softball may begin practice in mid-February. No questions or concerns and the meeting was adjourned.
