Dear Gary Lawson,

In 2016, I had two meetings after school regarding student interest in the sport of soccer. On March 10, 2016, I had 5 students show up to the meeting and expressed interest in starting a soccer program. Again on April 5, I had another meeting and had 6 students attend showing interest in this sport.

Based on the attendance of each meeting, I can say that we do not have a sufficient amount of interest to pursue any further actions concerning the introduction of soccer into our sports program.

Sincerely,

Henry Edwards
