Hickman County: Title IX Gender Equity Committee Meeting Minutes:

Present: Gary Lawson, Jeff Boaz, Shane Bizzle, Casey Henderson, Heather Spillman, Shayne Midyett, Lisa Britton, Lynn Yarbrow, Kadey Wilkey, Jackson Midyett

This is the 1st official GE meeting of the year 2018-2019. For this meeting, Mr. Lawson, who had just completed his Title IX Re-Visit, went into detail about the Title IX Report Audit and explained what each of the three parts of it represented and how the school performed. The overall consensus was positive, and the school received a satisfactory rating.

Mr. Lawson explained that according to the report, HCHS had passed 2 of the 3 parts and was on the right track in his eyes. He stated that for the past 2 reports, we were spending \$91 per male athlete and \$108 per female athlete for equipment and supplies. In 2016 through 2018, the report identified that the school spent \$54/male and \$50/female for travel and per diem. Mr. Lawson also pointed out that for the two year period that athletic expenditures favored males over females by \$51 /athlete.

One area of concern that Mr. Lawson pointed out to the committee was a need for public restroom facilities at the baseball-softball complex.

The floor was opened up for questions. No questions or concerns were brought up and the meeting was adjourned, and we prepared for the Public Comments session.

The next meeting is scheduled for March 5, 2019 after school in the high school library.

Present:, Jeff Boaz, Shane Bizzle, Casey Henderson, Heather Spillman, Shayne Midyett, Lisa Britton, Lynn Yarbro, Kadey Wilkey, Jackson Midyett

This is the 2nd official GE meeting of the year 2018-2019. For this meeting, we discussed the Fall Sports that were completed in early November. These were golf, cross country, and volleyball. Cross country and golf both received new uniforms. Volleyball will get new ones for the upcoming season. The committee reviewed the booster and athletic money designated to each of these sports.

Cross country qualified for state as a team after being runner-up in All A Regionals

Golf won the District Tournament for the second year in a row.

Also, we went over the monies given to the winter sports of boys' and girls' basketball and cheerleading from boosters and theletics. All three of these teams received new uniforms this season.

Girls' basketball finished runner-up in the district and advanced to regionals.

The floor was opened up for questions. No questions or concerns were brought up and Mr. Midyett moved to adjourn.

The next meeting is scheduled for April 18, 2019 after school in the high school library.

This is the 3rd official GE meeting of the year 2018-2019. For this meeting, we discussed the spring sports that are in progress, which are baseball and fast-pitch softball. Baseball received a new set of home uniforms this year. Softball was not due for new uniforms according to the rotation but did receive a donation from boosters for some new netting for their bullpen. The committee reviewed the booster and athletic money designated to each of these sports.

Softball won the All A Regional Tournament and advanced to state on April 26-28 in Owensboro.

Districts for softball and baseball will be held at Fulton City during the week of May 20th. Regionals will be the week of the 27th.

Mr. Boaz let the committee know that the numbers were not yet completed for Title IX Report for this year but will be done by early next week. He said he would discuss the outcome of this report in the first meeting of the next year.

The floor was opened up for questions. No questions or concerns were brought up, and Mrs. Britton moved to adjourn.
