3. Describe, in detail, the selection process for each named squad.
Participants met for a cheer clinic prior to tryouts. They were taught a cheer and a 30 second dance routine. The participants were then placed into groups for stunts. They also demonstrated their gymnastic ability.

After observing the participants, the coach selected the members based on their ability to learn and perform the cheer and routine. They were also judged on their stunting and tumbling abilities.

4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow. The cheerleading squad will cheer at all home games.(boys & girls) They will also cheer for both teams as they advance in post tournament play.

5. Name any squad(s) that takes part in competitive cheerleading events.

The cheerleading squad is judged in both the girls and boys competition.

6. Do you have any other school groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.
Yes. Dance team and band. Both groups perform at the home games for both girls and boys teams.
