PUBLICITY -SUPPORT GROUPS

DIRECTIONS – Please respond to the following questions or statements regarding your cheerleading squad(s) and other support groups. Add pages if more space is needed to answer any of the questions/statements. Please type or write legibly in ink.

1. How many cheerleading squad(s) will your school have for the 2009-2010 school year?

Lee County High School will have one (1) cheerleading squad that will cheer for boys and girls basketball.

2. What is (are) the name(s) of each squad? For example, the following are typical names: generals, or black and gold, or boys' varsity and girls' varsity, or varsity and junior varsity.

The name of the Lee County cheerleading squad is the Lee County Cheerleaders.

3. Describe, in detail, the selection process for each named squad.

For the past several years Lee County has had only one (1) cheerleading squad that cheers for girls and boys basketball. Since they cheer for both teams the squad is called the Lee County Cheerleaders.

4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow.

At the beginning of the basketball season, the sponsor will review the girls and boys basketball schedule and select the games that they will cheer. The cheerleaders will cheer at all district games, home and away, and then will select an even number of games to cheer.

5. Name any squad(s) that takes part in competitive cheerleading events.

6. Do you have any other school support groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.

Lee County has a PEP Band that plays at girls and boys basketball games. They will play at all home games and tournament games for both teams. If one team has more home games scheduled than the other team, then the band director selects an even number of games to play.
