

## **Lewis County High School Travel Guidelines**

- ◆ Teams travelling overnight or a distance of two hours or more that would require the team to purchase a meal will receive the amount of \$10 per team member per meal for lunch and/or dinner. If a breakfast is required, each member would receive \$5 per meal. The daily per diem amount cannot exceed \$25. The cost will be covered by the activity fund for each individual team.
- ◆ Teams travelling overnight are encouraged to find a destination that serves breakfast as part of their lodging cost, if this is not available, then the \$5 per diem would apply for this meal.
- ◆ Lodging expenses for travelling overnight should not exceed \$125 per room per night, unless the lodging is a single source or only available option. Teams are encouraged to find package deals when travelling to tournaments that include lodging as a tournament perk.
- ◆ Travel to and from contests will be on a board owned, certified school bus. The athletic teams do not use charter buses.

## Response to Checklist of the Title IX components

1. Equipment and supplies.

Enclosed is a copy of the revised expanded cycle of uniform replacement for all teams. The cycle now contains Boys/ Girls Golf and Boys/girls tennis as annual replacement.

2. Travel and Per Diem Allowances

The school guidelines are clarified to indicate the only mode of transportation used by any boy/girl sport is locally owned school buses. The district will not use charter buses as a means of transportation.

## KHSAA recommended Action in relation to new deficiencies

1. Scoreboard— A new scoreboard has already been ordered and received. It will be installed for use this year. Completion date: 2016 Season
