## ATHLETIC ACCOMPLISHMENTS

ok  
sheet  
12-16-14

Ludlow Board of Education and Ludlow High School are responsible for the welfare of all students and student athletes. Ludlow High School along with the Board of Education works to comply with all Title IX compliances. Ludlow High School has developed a policy to recognize the athletic accomplishments for all male and female athletes. The policy is designed to recognize individual and team athletic accomplishments.

The following policy is for: **Football, Girls Soccer, Girls Cross Country, Boys Cross Country, Volleyball, Girls Basketball, Boys Basketball, Softball, Baseball, Girls Track, Boys Track, and Cheerleading**

1. Each player will be given a certificate and an "L" or bar at the team's sports awards banquet. A player will receive an "L" if it is the second year that they have received a varsity letter (meaning they played two seasons of a varsity sport). A player will receive a varsity bar their first, third and fourth year of receiving a varsity letter. A Junior Varsity bar will be given to each athlete who played JV and did not receive a varsity bar. Each freshman who participates at the freshman level will be given a freshman bar.
2. Ludlow High School purchases three trophies for each athletic team which will be given away at the team banquet. It is up to the discrepancy of the coach on how he/she awards these trophies. However, no team is permitted to give away more than three trophies.
3. Ludlow Athletic Boosters will purchase a varsity letter jacket for any student who has received a varsity letter twice in the same sport. The student athlete must be at least a sophomore and have received the varsity letter in the same sport.
4. When athletic teams win Conference championships, districts, regionals, and state, the school will put the years on the banners that are hanging in the gym. Ludlow High School will also purchase a plaque with the team's picture to be hung in the gymnasium lobby.

### **TEAM TROPHIES**

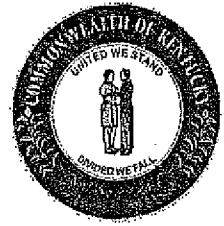

- Current year trophies that are won by teams are placed in the cafeteria trophy case so that all students can see the student-athletes/teams accomplishments.
- At the end of the year, we re-adjust based on space and move the trophies to the gymnasium trophy cases.

### **END OF THE SEASON RECOGNITION BANQUET**

Three times a year the Ludlow High School Athletic Department in cooperation with the Ludlow High School Athletic Boosters will host a banquet to recognize students who participated in a sport. Each banquet will be held in the cafeteria. At the conclusion of the banquet, the Athletic Boosters will provide cake and punch for the

athletes and their families. The amount of money that is spent on each banquet should not exceed \$500.00.

To Who It May Concern:

On December 1, 2014 a request from the Ludlow High School Athletic Department was received to put a homerun fence up at Hollingsworth Field (Softball Field). Due to the field being used by other community organizations and it being a community park, we will not permit the LHS Athletic Department to install a homerun fence at Hollingsworth Field.

Sincerely,

  
John C. Knuf

Mr. John Knuf, City of Ludow Public Works Director,

This fall, our athletic department at Ludlow High School was involved in a Title IX audit. This audit occurs once every seven years. As part of the audit, we are required to show that boys and girls sports at Ludlow High School are equitable. We have done a good job of making sure that this is happening. One of the areas of concern that the Title IX auditor found was that Hollingsworth Field (softball field) does not have a homerun fence and Lemker does. We are requesting that the city give Ludlow High School and the athletic department permission to install a homerun fence at Hollingsworth Field. Please feel free to contact Andrew Wise, Adam Clary or Mr. Travis Caudill if you would like to discuss this further.

Thank you for your time.

Sincerely,

Andrew Wise, Athletic Director
