Mr. Lawson

McCreary Central Board of Education will do the following to narrow the disparities between the baseball and softball facilities.

McCreary County Board of Education will enclose the visiting team dugout after the completion of the 2013 season with a starting date of June 1st 2013 and completion date of October 15th 2013.

McCreary County Board of Education will renovate an area for office space at the softball field with a starting date of November 1st 2013 and completion date of February 10, 2014.

Based on consultation with the architect, locker rooms and restrooms facilities will start July 1st 2014 and will be completed no later than July 1st 2017.

Weight Room

We will purchase small hand weights, light training balls and some athletic bands for 2013-2014 school year.

Possible in the near future as funds come available looking to purchase a universal machine.

Self-Analysis in relation to Athletic Spending

Two areas in which the spending most favor the male athletes

1. Travel
2. Coaching salaries

McCreary Board of Education added extended days to volleyball to close the gap on Male and female coaching salaries.

4 boys teams with extended days

3 Girls teams with extended days with the addition of volleyball to extended days extra service pay is equal.

Spending significantly favors male athletes.

1. Wrestling
2. Baseball

Male's teams will not be allowed overnight trips with exception of team qualifying for state tournament.

Monitor Expenditures

The Principal, Athletic and Bookkeeper will meet monthly to review expenditures to make sure pending is equity for males and females.
