On August 30, 2017 we held an interest meeting for volleyball, swimming, and tennis in coordination with our Title IX committee meeting. The meeting was held at 3:30pm. On this date we had 25 interested in volleyball, 3 in swimming, and 2 in tennis. Based on these numbers we decided as a Title IX committee to move forward and schedule additional interest meetings for volleyball. Based on the numbers at this meeting and the lack of facilities for swimming and tennis in our district we decided to not move forward with these programs at this time.

Thanks,
