Subject: Model Title IX report

Kathy,

Not sure if you will be the person reviewing my school's Title IX report, but thought that I would send this addition to my report to you. If I have sent this in error, please let me know so that I can get it to the person who needs it.

In speaking with Rob Catron about my 2013-14 report, we had a slight glitch with regard to girls tennis. Last year Model had a girls tennis team, however this year we did not have enough girls to have the team make. On the T35 form, where we are to report last year's finances, I was not able to report girls tennis expenditures from last year due to the fact that there is no team this year (blocks out girls tennis automatically). Rob spoke with Mr. Tackett and they said to just submit that information separately to my reviewer, so I have included that information below to be included with my report.

MODEL GIRLS HIGH SCHOOL VARSITY TENNIS EXPENDITURES :

EXPENDITURES :	SCHOOL: \$145.00	BOOSTERS : \$2,763.00
TRAVEL:	SCHOOL : \$575.00	BOOSTERS: 0
AWARDS :	SCHOOL : \$42.00	BOOSTERS : 0
SALARIES :	SALARY : \$1,200.00	TEAMS: 1/1/1
FACILITIES ;	SCHOOL: 0	BOOSTER : 0

PUBLICITY :

SCHOOL : 0

BOOSTER : 0

TOTAL GIRLS TENNIS : \$4,725.00

TOTAL GIRLS EXPENDITURES @ MODEL : \$58,701.00

*Also please note that the Boys High School Basketball team and the Boys High School Baseball team were recipients of new school purchased uniforms during this reporting period. The Gender Equity committee has plans to meet in May to revise the rotation schedule (extend rotation from 3 years to 4 years for some sports; and perhaps try to put both a girl and boys team in a rotational year so that the finances are not so lopsided, etc.).

Thanks so much, and please don't hesitate to contact me if you have any further questions or if I have submitted this email to you in error of being my reviewer.
