Here is the large Title IX Report that was submitted 1999-2000. I will e-mail 2000-2010 under a separate-mail since this first document is so large. I will also have the invoice with the second e-mail. Please open the attachment using Adobe Acrobat so that you can read it and also print it.

I apologize , I had transferred you to Mr. Bilberry and I thought he talked with you. I will scan all of those documents later today and they will come to you as an attachment in an e-mail. I will enclose an invoice with the e-mail as well. It will probably be 150 pages or better at .10 per page. I am not sure on the count of pages since I have not had a chance to count them individually yet.

Learn to laugh at your limitations. There is plenty of material. If you only laugh and enjoy life when your problems are all solved, you'll never enjoy life.
