SUPPORT GROUPS

DIRECTIONS – Please respond to the following questions or statements regarding your cheerleading squad(s) and other support groups. Add pages if more space is needed to answer any of the questions/statements. Please type or write legibly in ink.

1. How many cheerleading squad(s) will your school have for the 2008-2009 school year? ONE
2. What is (are) the name(s) of each squad? For example, the following are typical names: generals, or black and gold, or boys' varsity and girls' varsity, or varsity and junior varsity.
EAGLE CHEERLEADING SQUAD
3. Describe, in detail, the selection process for each named squad.
Mr Vaughn, coach, has 3 judges that have no connection with the school. He tabulates scores and with other considerations such as grades, behavior, attendance, etc. makes the decision on who make the squad
4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow.
The team cheers at all the home and away football games. During basketball season they cheer at all the home games and the district games on the road
5. Name any squad(s) that takes part in competitive cheerleading events.
the same squad but just 12 of the 18
6. Do you have any other school support groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.

Pep band plays at all home games and the attempt is mad for all playoff games pending the music director's schedule. In basketball, if he cannot attend the girls games then we do not schedule the pep band for the boys.

Dance team is selected by the coach and perform during the halftimes of the football and girls and boys basketball games.

Mascot in years past has cheered during football games and basketball games
